

ARTIFACTS

Art unites us when...

we see that there's more than one solution to a problem.

we understand that sometimes there are no wrong answers.

we see the same human emotions in art from all over the planet.

we understand stories from other cultures, even when we don't speak the same language.

it offers us a new perspective.

it helps us remember a shared past.

it makes us question what we assume.

it helps us say difficult things.

it helps us say beautiful things.

we make it together.

it creates joy.
