

<b>Subject</b>	<b>Chapter 117. Texas Essential Knowledge and Skills for Fine Arts</b>
<b>Course Title</b>	<b>§117.304. Art, Level III (One Credit), Adopted 2013. DAVIS ART – Experience Printmaking</b>

TEKS (Knowledge and Skills)	Student Expectation	Breakout	Element	Subelement
<b>(a) General requirements.</b> Students may fulfill fine arts and elective requirements for graduation by successfully completing one or more of the following art courses: Art III, Drawing II, Painting II, Printmaking II, Fibers II, Ceramics II, Sculpture II, Jewelry II, Photography II, Design II, Digital Art and Media II, Advanced Placement (AP) Studio Art: Drawing Portfolio, AP Studio Art: Two-Dimensional Design Portfolio, AP Studio Art: Three-Dimensional Design Portfolio, AP Art History, International Baccalaureate (IB) Visual Arts I Standard Level (SL), or IB Visual Arts I Higher Level (HL) (one credit per course). There are no prerequisites for AP Art History and all IB courses. One credit in an Art, Level II course is a recommended prerequisite for AP Studio Art: Drawing Portfolio, AP Studio Art: Two-Dimensional Design Portfolio, and AP Studio Art: Three-Dimensional Design Portfolio. The prerequisite for all other Art, Level III courses is one credit of Art, Level II in the corresponding discipline.				
<b>(b) Introduction.</b>				
(1) The fine arts incorporate the study of dance, music, theatre, and the visual arts to offer unique experiences and empower students to explore realities, relationships, and ideas. These disciplines engage and motivate all students through active learning, critical thinking, and innovative problem solving. The fine arts develop cognitive functioning and increase student academic achievement, higher-order thinking, communication, and collaboration skills, making the fine arts applicable to college readiness, career opportunities, workplace environments, social skills, and everyday life. Students develop aesthetic and cultural awareness through exploration, leading to creative expression. Creativity, encouraged through the study of the fine arts, is essential to nurture and develop the whole child.				
(2) Four basic strands—foundations: observation and perception; creative expression; historical and cultural relevance; and critical evaluation and response—provide broad, unifying structures for organizing the knowledge and skills students are expected to acquire. Each strand is of equal value and may be presented in any order throughout the year. Students rely on personal observations and perceptions, which are developed through increasing visual literacy and sensitivity to surroundings, communities, memories, imaginings, and life experiences as sources for thinking about, planning, and creating original artworks. Students communicate their thoughts and ideas with innovation and creativity. Through art, students challenge their imaginations, foster critical thinking, collaborate with others, and build reflective skills. While exercising meaningful problem-solving skills, students develop the lifelong ability to make informed judgments.				
(3) Statements that contain the word "including" reference content that must be mastered, while those containing the phrase "such as" are intended as possible illustrative examples.				
<b>(c) Knowledge and Skills.</b>				
(1) Foundations: observation and perception. The student develops and expands visual literacy skills using critical thinking, imagination, and the senses to observe and explore the world by learning about, understanding, and applying the elements of art, principles of design, and expressive qualities. The student uses what the student sees, knows, and has experienced as sources for examining, understanding, and creating original artwork. The student is expected to:	(A) analyze visual characteristics of sources to illustrate concepts, demonstrate flexibility in solving problems, create multiple solutions, and think imaginatively	(i) analyze visual characteristics of sources to illustrate concepts	<u>Student Edition</u> 18-Ins 39-Ac  <u>Teacher Edition</u> 39-Ins 39-Ac	<u>SE Location</u> How to...
