

# Discovering Art History

By Gerald F. Brommer

This edition of *Discovering Art History* is an in-depth, comprehensive approach to art. The program includes an **extensive survey of Western art**, **studies of non-Western art**, as well as an introduction to **art appreciation**. Engaging **studio activities** throughout the text are keyed to chapter content. This **premier art history program** will show students how the visual arts serve to shape and reflect ideas, issues, and themes from the time of the first cave paintings to the twenty-first century.
