

Postcard Critique

The ARTIST: Write a postcard about your special place/space that holds story or memory to someone you know using the bottom postcard. Then fold it back so the "visitor" to your special place/space does not see your postcard.

The "VISITOR": "Visit" the special place/space and write a postcard to the artist about what you see on your "travels".

- What do you see? • What do you hear? •What do you smell?
- What stories/memories does the place/space evoke?
